

LeVeL33's Security Policy Statement

LeVeL33 is committed to protecting the company's employees, properties, information, reputation and customer's assets from potential threats in the restaurant. This policy is guided by the company's basic core values, code of conduct, business ethics and security standards. All security activities must adhere to the general principles laid down below:

All employees and contractors must always be aware of and take responsibility for the security aspects of the company's business activities;

Threats analysis and risk evaluations should be conducted on a regular basis;

Security procedures and guidelines should be seamlessly integrated with business activities;

"Incident prevention" must be the first priority;

Preparedness response plans must be developed and tested to deal with assessed risks rapidly and effectively;

Security measures and procedures must be subject to regular inspections, validations and verifications by security auditor so as to maintain high security standards for LeVeL33' operations;

The level of professionalism, knowledge and integrity of staff involved in security matters must be tightly controlled;

Appropriate training plans, recruitment, contracting and termination procedures must be established and implemented;

All incidents, including security breaches and irregularities must be reported and recorded. Corrective action should be taken and followed up through regular verifications to improve the overall security standard.
